

St. Luke's Parent Guild Meeting Minutes
October 12th, 2011

Trike-a-Thon, which benefits Arkansas Children's Hospital, will be scheduled in the Spring, with a date possible right before the break.

Scholastic Book Fair, November 14th-18th, will be set up in the Art Room. Mrs. Maffit described how the system for purchases is very simple and all automated so credit card can be used. Our school's goal is \$2,000 for the week. Since Mrs. Maffitt will be gone for this week, 2 volunteers are needed to help set up on November 9th. Volunteers also needed between 7:45-9:00am, and 2:30-4:30pm, for each school day of the Fair.

BoxTops and Campells eLabels for Education were mentioned as well, since there was a bonus offer during October for parents who register a Kroger card on the Campbell's eLabel site.

Bread Sales reminder and deadline discussed.

Staff Appreciation for September went well, except for a couple of details that will be smoothed out for next planned Appreciation meal. Specifically: Staff coverage and timing of the meal itself.

Staff Meeting Coverage was reported to be filled for October.

Thanksgiving Feast, November 18th, volunteers will be helping serve and clean up. Decorating committee to be done the night before.

Breakfast with Santa, December 10th, will begin with an initial meeting next week to organize committees. Mr. Zubro asks for all creative persons or parents with connections to creative people, to donate seasonal art pieces to auction off with the annual decorated mini-trees.

Friday Night Child Care went well for the first try, we made a profit, so we hope to do again. Minimum of children were watched, only 10. Good reviews from the Mardis family, who's children had a blast. Later pick up hours were suggested, thinking 10:30. Opening the child care to alumni or by referral was suggested as a possibility to increase participation. Mr. Zubro even mentioned a "Drop & Shop" on certain weekends in December!

Pumpkin Patch Field Trip details were discussed. Some parents concerned about transportation in their absence. Mr. Zubro will try to work it out. Criminal background checks are required by DHS for any driver taking another student in his/her vehicle. Since many parents have had one due to employment, it may work in favor of the school. Mr. Z will check.

Meeting adjourned.
